Simple Employee Company Policy — 2026

This is a dummy company policy document created for RAG and AI-agent testing.

1. Working Hours

Employees work Monday to Friday, from 9:30 AM to 6:30 PM. Employees should be available during working hours unless they have approved leave.

2. Work From Home

Employees may work from home with manager approval. The standard hybrid schedule is 3 days from the office and 2 days from home.

3. Probation

The standard probation period is 6 months. Performance, attendance, communication, and job skills are reviewed during probation.

4. Leave Policy

Employees receive 12 casual leave days, 10 sick leave days, and 15 earned leave days per calendar year.

5. Notice Period

The standard employee notice period is 30 calendar days. Early release may be approved by management depending on business requirements.

6. Salary

Salary is paid monthly and is normally credited on or before the last working day of each month.

7. Performance Review

Formal performance reviews are normally conducted once per year. Performance may include quality of work, productivity, technical skills, teamwork, and goal achievement.

8. Company Equipment

Employees are responsible for company laptops and other equipment issued to them. Lost or damaged equipment must be reported to the IT department immediately.

9. Information Security

Employees must protect company information, use strong passwords, enable required security controls, and never share passwords or API keys.

10. AI Tool Usage

Employees may use approved AI tools for productivity. Company source code, customer information, passwords, API keys, and confidential data must not be entered into unapproved AI services.

11. Expense Claims

Approved business expenses should normally be submitted for reimbursement within 30 days of the expense. Receipts may be required.

12. Code of Conduct

Employees are expected to behave professionally and respectfully. Harassment, bullying, discrimination, fraud, violence, and serious misconduct are prohibited.

13. Resignation

Employees must submit a written resignation, complete the notice period unless released early, complete knowledge transfer, return company property, and finish required exit procedures.

14. Policy Changes

The company may update policies when business or legal requirements change. Employees will be informed about significant policy changes.

Important: This document is synthetic data for software development, RAG, LangChain, and LangGraph testing. It is not an actual company policy.
